A surcharge of 25% will be added to the final permit fee for all permitted loads (except "Steel Coils (3 or fewer coils)) deemed to be "Divisible Loads" or having an ODOT permit for same vehicle/load that is considered to be a "Divisible Load".

Blanket Permits are for loads that are "All Weights Legal" only.

Construction Equipment shall have the same definition as stated in the ODOT's Special Hauling Permits Operational Guide.

*Non-Conforming = Vehicle/Loads that are "All Weights Legal" but do not fit the definition of Construction Equipment. Examples include but are not limited to: Boats, Farm Equipment and Manufactured Buildings/Building Components.

Additional Fees - If required per the conditions of a permit may include but are not limited to:

- Inspection Fees, Escort Fees and Maintenance Bonds

Permits may be issued for multiple vehicles from the same company if the requested routes are identical. Each vehicle must be identified (license plate number for power unit or make and company unit number) on the permit and the vehicle/load description must match the same vehicle/load description as listed on an ODOT permit authorizing movement of the same vehicle/load. Permit fees for these permits will be determined on a case by case basis.
